FIELD OF SPECIALISATION

Tim Mosdell is an associate of PDG. He is also the Director of the Bicycling Empowerment Network (BEN). He was previously an employee and director of PDG for 12 years. Tim has a Masters Degree in Political Studies and a MBA. Since joining PDG in 2000 he worked extensively in the water sector, conducted a number of major programme evaluations, managed large empirical surveys, consulted in the municipal restructuring field, developed knowledge management methodologies, contributed to strategic responses to economic development and urban poverty, and managed projects related to sustainability and the environment. He also works in the municipal finance area. In recent years Tim has worked extensively in the Non-Motorised Transport (NMT) sector.
