## ACADEMIC BACKGROUND

---

- Bachelor of Commerce Honours (Economics): University of KwaZulu-Natal, South Africa, 2022
- Bachelor of Commerce (Economics): University of KwaZulu-Natal, South Africa, 2020

## FIELD OF SPECIALISATION

---

With an academic background in Economics; work experience in research, advocacy and policy; and experience within civil society organisations – I have developed a broad skillset to contribute positively within the organisation and build strong relationships with clients. I am passionate about working to drive meaningful change, optimise performance, and achieve sustainable development. I believe strongly in the principles of ethical leadership, teamwork and a willingness to learn and take initiative. With an understanding of systems, processes and communications, I am committed to navigating complexities and delivering innovative solutions to grow and thrive in an ever-evolving business landscape.
